Subject: **Extension of Certification validity due to COVID-19 Emergency - cert. n. AJA/IFCC-PEFC/FMC-HT/00018/III/2016**

To :

PT Bina Daya Bentala
Komplek Bisnis Center Blok B – 3A
Jln. Jendral Sudirman, Pekanbaru, Provinsi Riau

In compliance with the measures approved by the Government in relation to the Coronavirus health emergency "Ministry of Health Regulation Number 9 Year 2020", considering the IAF provisions (International Accreditation Forum) and as expected from IAF document ID03 "Management of Extraordinary Events or Circumstances affecting ABs" and PEFC Guidance – FM auditing affected by COVID V2a, CABs and Certified Organization", all certification activities, such as surveillance and renewal, can be postponed, in the volunteers areas, of 12 months, without there being a loss of validity of the certificates issued. Certificates that have expired or are expiring in this emergency period can therefore be extended by up to 12 months.

Considering the above, the undersigned Lillian Ann Kallman, as President Director of the PEFC/IFCC scheme of the Company PT AJA Sertifikasi Indonesia, representative of the Certification Body AJA Europe Srl (Accredited by ACCREDIA), declares that the certification n. **AJA/IFCC-PEFC/FMC-HT/00018/III/2016** (IFCC ST 1001 Sustainable Forest Management system), in the name of the company **PT Bina Daya Bentala**, with date of original registration March 16th, 2016 and last registration March 13th, 2019 is to be considered fully valid until March 15th, 2023.

The following declaration is issued at the request of the interested party.
